DENIAL OF STATE ENGINEER

This application is hereby denied on the grounds that the water right that forms the basis for the change application is forfeited and is no longer an active water right available to be changed, and to grant a permit to change a forfeited water right would threaten to prove detrimental to the public interest.

IN TESTIMONY WHEREOF, I, HUGH RICCI, P.E.,

State Engineer of Nevada, have hereunto set
my hand and the seal of my office,

this 11th day of June, A.D. 2004.

Hugh Ricci, P.E.
State Engineer
